## SDG 6 SPECIAL EVENT

The 2022 SDG 6 Special Event will take the SDG 6 Global Acceleration Framework to the country level by sharing national experiences implementing the targets for water and sanitation. The SDG 6 Global Acceleration Framework aims to deliver fast results for SDG 6 at an increased scale and strengthen system-wide collaboration at the country level. The five accelerators outlined in the Framework – Financing, Data and Information, Capacity Development, Innovation and Governance – will dramatically improve the international community's support to country progress. Acceleration for water and sanitation in the context of the UN 2023 Water Conference will also be discussed during this Special Event.

**Co-hosted** by Mr. Gilbert F. Hounbo, the Chair of UN-Water, and Mr. Liu Zhenmin, the Secretary-General of the UN 2023 Water Conference.
