Excellency,

We would like to thank you for your productive engagement at the informal meeting held on 12 May and at the meeting at the expert level on 24 May. Thank you also for your submission of written comments on the revised draft of the Ministerial Declaration of the high-level segment of the 2022 session of the Economic and Social Council and the high-level political forum on sustainable development, convened under the auspices of the Council.

Based on the discussions at the meetings and your written inputs, we are pleased to share the latest revised version of the draft of the Ministerial Declaration for your consideration. We have again done our best to reflect the proposals of all delegations, while working toward consensus language and remaining mindful of the red line areas you have identified. We hope that this revised draft will constitute a good basis of our further discussions.

As announced, we will convene the next in-person meeting on Friday, 10 June 2022 from 10 am to 1 pm and from 3 pm to 6 pm in the ECOSOC Chamber, to hear your comments on the revised draft, and to discuss how we can resolve any remaining issues where necessary.

We are extremely grateful for your collaboration and diligent efforts, and we look forward to guiding the successful conclusion of these informal meetings, to ensure an outcome that produces a Ministerial Declaration that is inspirational, forward-looking, and agreeable to all delegations.

Please accept, Excellency, the assurances of our highest consideration.
