Food Systems Transformation

Transforming Food Systems for a Sustainable World without Hunger

The session aims to mobilize means of implementation to assist countries in the implementation of national pathways ([Link](#) to UNFSS +2 Report of the Secretary-General) and to expand commitments from Member States to prioritize their journey of food systems transformation. This will ensure food security and healthy diets for all in sustainable food systems to deliver for people and the planet. In addition, the session will drive agreement among partners on the path forward to support countries on delivering their Food Systems transformation agendas.
