To ensure that as many organizers as possible can be accommodated, exhibition proponents are strongly encouraged to partner and involve several other co-organizers.

A lead organizer must be clearly identified by the exhibitor and only one exhibition is permitted for every organization proposing to host exhibitions during the 2025 HLPF. **All financial costs associated with the exhibition are to be borne by the organizers.**

The HLPF secretariat will make every effort to accommodate all eligible requests for exhibitions. However, due to the high level of demand expected for exhibitions during the HLPF, it might not be possible to accommodate all requests at the UN Headquarters.

Exhibitions will be accommodated on the first floor and the basement level (1B) of the Secretariat Conference building. Exhibitions can be visited by all accredited and registered participants to the 2024 HLPF and must remain in place for the duration of the forum.

Generally, exhibition spaces can only accommodate hanging exhibits (such as pictures, posters, portraits and banners), table displays, standalone exhibits and small display cases. Tables for exhibition can be provided at a cost but must be reserved at the time of request.

No drilling and/or hanging directly on the walls will be allowed. A limited number of secured panels are provided along some walls for hanging items like pictures, paintings, posters, etc. Large or bulky items most likely cannot be accommodated.

All financial costs and charges associated with the services provided should be the responsibility of the event organizers and will need to be paid fully in advance prior to the event.

No security services are made available explicitly for the exhibition spaces during the exhibition exercise. Setup costs will be required for services requested on weekends. Usually at an hourly rate for two staff members, one security officer and a relevant staff.

Publicizing an exhibition is the responsibility of its organizers. The Secretariat will not produce fliers, distribute notices, or run other publicity or outreach efforts on behalf of the exhibitors.
