

# HIGH-LEVEL POLITICAL FORUM ON SUSTAINABLE DEVELOPMENT

## GUIDELINES FOR SIDE EVENTS – 2025 HLPF

### Call for 2025 HLPF Side Events

Side events will be held on the margins of the 2025 session of the High-level Political Forum on Sustainable Development (HLPF) under the auspices of the Economic and Social Council (ECOSOC) held from 14 to 18 July, and 21 to 23 July 2025, at UN Headquarters in New York.

Side events at the HLPF are held outside the official programme. They are intended to provide opportunities to discuss the theme and the Sustainable Development Goals (SDGs) under review at the HLPF, deepen the discussion on Voluntary National Reviews (VNRs), identify new and emerging issues, and bring together stakeholders to help spread greater awareness and implementation of the 2030 Agenda and the SDGs.

The theme of the HLPF is *“Advancing sustainable, inclusive, science- and evidence-based solutions for the 2030 Agenda for Sustainable Development and its Sustainable Development Goals for leaving no one behind”*.

The 2025 HLPF will conduct in-depth reviews of: SDG 3. Ensure healthy lives and promote well-being for all at all ages; SDG 5. Achieve gender equality and empower all women and girls; SDG 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all; SDG 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development; and SDG 17. Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development.

### Who can apply to hold a side event?

Eligible entities who are interested to organize side events on the margins of the 2025 HLPF may apply during the open call. Member States, UN System organizations, accredited Intergovernmental Organizations, Major Groups and other Stakeholders, and NGOs in consultative status with the Economic and Social Council may submit applications.

### Format of side events

**There will be no side events at UNHQ outside the official meeting hours, 10:00 a.m. to 1:00 p.m. and 3:00 to 6:00 p.m. The default time slot for side events held inside UNHQ will be 1:15 p.m.- 2:30 p.m.** This is due to measures instituted by the management of the UN Secretariat to cope

with the Organization's liquidity crisis. Side events at UNHQ are on a full cost-recovery basis (see details below).

In-person side event slots in UNHQ are greatly reduced from previous years (**approximately 65 in total**). Therefore, side event organizers are strongly encouraged to hold their events outside of the UN HQ premises (Missions, UN system offices, etc.) or to organize events virtually.

Side events can be held:

- a) in-person at UNHQ: [Application form](#)
- b) In-person in offsite in locations other than UNHQ: [Offsite application form](#)
- c) In virtual format: [Virtual application form](#)

Side events held inside UNHQ may only be held in-person (no hybrid participation).

### Criteria for side events

- Side events can be organized by Member States, Intergovernmental Organizations (IGOs), UN entities, Major Groups and other Stakeholders (MGoS) and other organizations with UN accreditation. IGOs, MGoS and NGOs without accreditation or in consultative status with the UN must partner with a Member State, UN system entity or with another IGO, MGoS, or NGO with accreditation or consultative status.
- In view of the large number of requests anticipated, the HLPF Secretariat will consider only **ONE** application per entity.
- Priority will be given to events that show alignment with the theme of the 2025 HLPF, linkages with the SDGs under in-depth review, and demonstrate a multi-stakeholder, multi-sectoral, and inclusive approach.
- Priority will be given to events organized by Member States, in particular the 2025 VNR countries, and those organized in partnership with multiple networks/organizations. **Interested parties are strongly encouraged to partner with others to organize a side event to increase the chances of being approved.**
- The side events should be open to all participants. Organizers of closed events or by invitation only events aiming for an exclusive audience are kindly advised to make alternate arrangements outside of the HLPF Secretariat.
- Panels held at side events should ensure geographic and gender balance and strive for the engagement of a mix of countries and other actors.
- Priority will be given to a major group organizing an event with a network of partner organizations.

### Selection process

The HLPF Secretariat will review the applications and approve the side-events based on the above criteria. Events will be reviewed and selected so that the overall programme of side-events gives attention to the theme and the SDGs under review and is balanced in terms of geography and thematic focus.

The Secretariat may request side events that address similar themes be merged.

Only side events that have been approved through this application process will be featured in the official side event programme on the HLPF website.

The proposal should provide a detailed description of the side event, including its thematic focus, speakers/presenters- even if tentative at the time of submission- and its potential contribution to the HLPF. It should also clearly indicate the main organizer of the event and their contacts.

All non-State and non-UN actors managed by the MGoS coordinating mechanism and steering group can apply to organize side events if they have valid and current consultative status with the Economic and Social Council (ECOSOC). These entities should go to the following link to see if you are eligible: [E/2023/INF/5](#)
