

HIGH-LEVEL POLITICAL FORUM ON SUSTAINABLE DEVELOPMENT

About the meeting

We meet at the HLPF !

HLPF stands for high-level political forum on sustainable development.

It is organized by the United Nations.

HLPF happens every year.

Countries gather at the HLPF to discuss issues.

The subjects are People, Planet, prosperity, peace and partnerships.

This year countries will discuss how science can help us make the world better.

This year countries will talk about people's health, gender inequalities, job opportunities, oceans and partnerships.

Sustainable development is:

Improving people lives without harming the planet or being unfair to future generations

17

There are **17 objectives** that countries are working on to reach **sustainable development**.

They are called the **SDGs**. The SDGs stands for **Sustainable Development Goals**.

For example,
the first goal is no more poverty.

Countries want to reach these goals by **2030**.
