

# THE HIDDEN DIMENSIONS OF POVERTY

---

A PARTICIPATORY RESEARCH FROM BOLIVIA

# THE CONDITIONS FOR PARTICIPATION

1. Prepare and Train
2. Work in peer groups
3. Role of facilitators
4. Time
5. Remuneration

# DISEMPowerMENT

**"Poverty is not  
having freedom"**

Person with direct experience of  
poverty, Bolivia

# INDIVIDUAL TRANSFORMATIONS

1. Get rid of the fear
2. Grasp the meaning of what I read
3. Organizing myself better
4. Transformation within my family
5. Transformation within the team

# CONCLUSION

- We need the three sources of knowledge to generate a complete picture.
- This requires investment to create the conditions where all can engage as equals.
- For example, developing training workshops involving people with direct experience of poverty, academics and practitioners.
