**UN SDG:Learn is a United Nations initiative that aims to bring relevant and curated learning solutions on sustainable development topics to individuals and organizations.**

#### **PLATFORM**

The web-based platform matches learners' needs with learning solutions offered by UN SDG:Learn Partner organizations. The platform enables a smart navigation through courses and microlearning content.

#### **PARTNERSHIP**

UN SDG: Learn is powered by a community of sustainable development practitioners that bring together providers of learning solutions on the 2030 Agenda and its SDGs.

#### **PROGRAMME**

Joint learning initiatives that are co-designed by UN SDG: Learn Partner organizations be offered to ensure integrated learning support to countries.

---

**Check out UN SDG:Learn and find the learning that best fits your needs!**
