Malaysia National Voluntary Review 2017

Malaysia Voluntary National Review 2017

Key Focus of VNR: "Eradicating poverty and promoting prosperity in a changing world."

MALAYSIA reports on 8 SDGs in 2017

In localizing the SDGs, the Malaysia will adapt, implement and monitor the SDGs goals and targets at the local level.

Aligning To National & State Policies And Plans

To implement the National SDG Roadmap for Malaysia, the need to align local SDGs programs and initiatives with State and National is important. This will support a bottom-up process, where the City Roadmap and Voluntary Local Reviews by Local Governments will provide the mechanism for implementation and monitoring.

NATIONAL LEVEL

Policies, Blueprints and Development Plans.

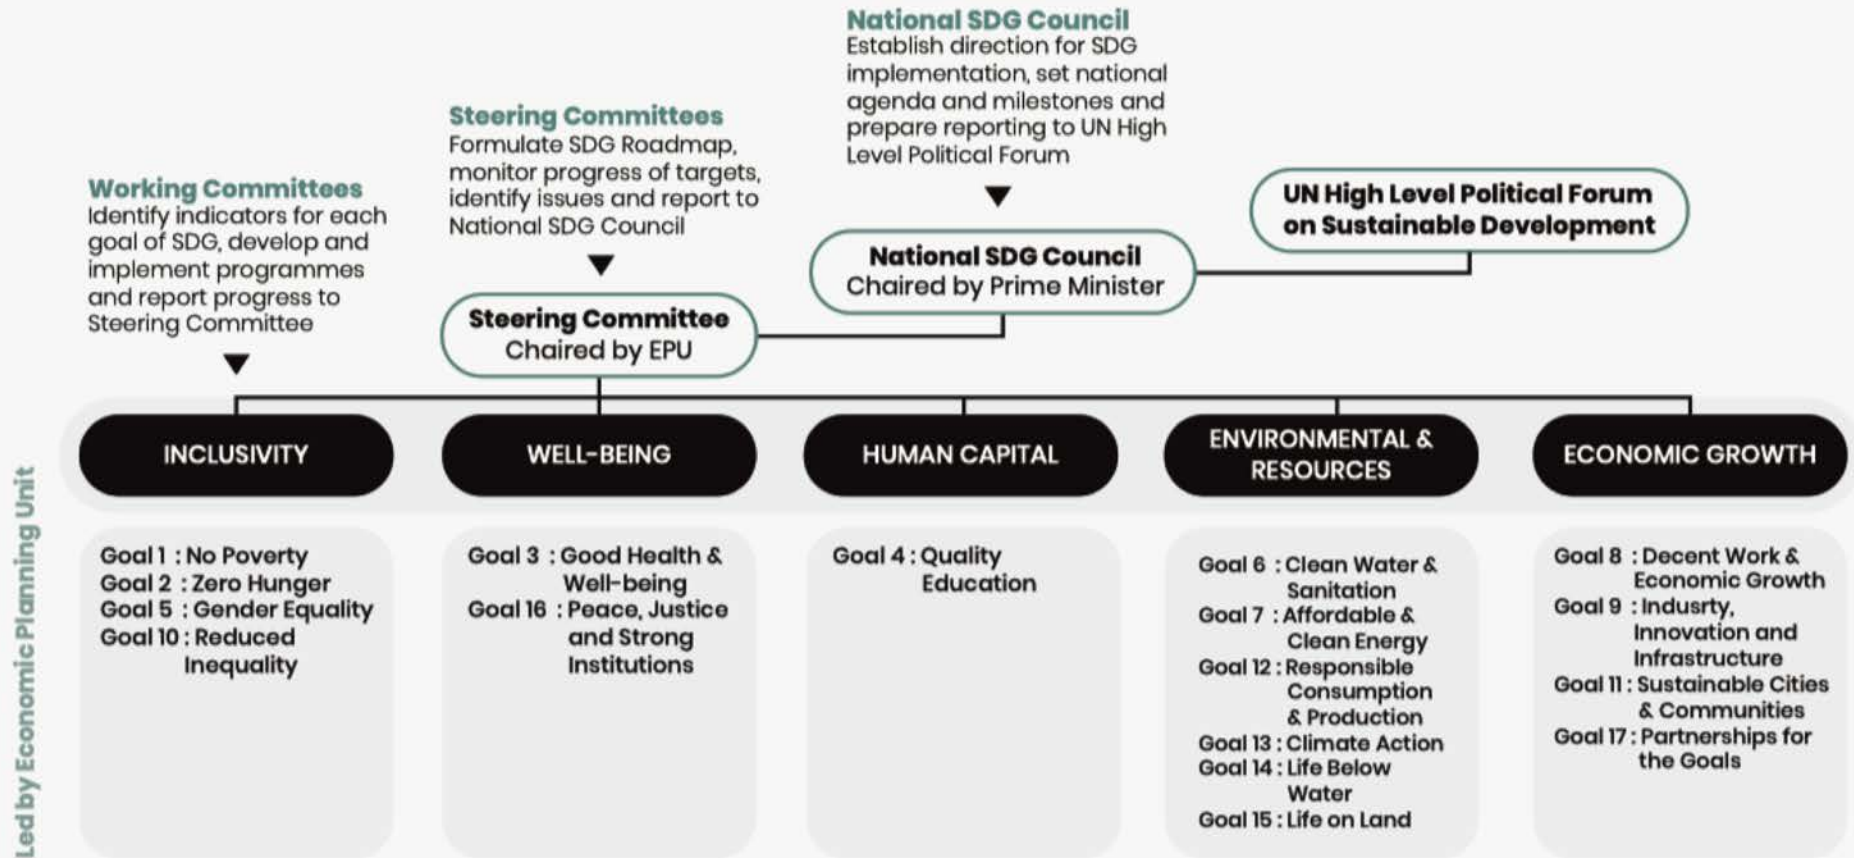

STATE LEVEL

Policies and State Development Plans.

LOCAL LEVEL

Local Plans, Strategic Plans, Action Plans, Guidelines, Rules and Regulations, Community Programs and Initiatives.

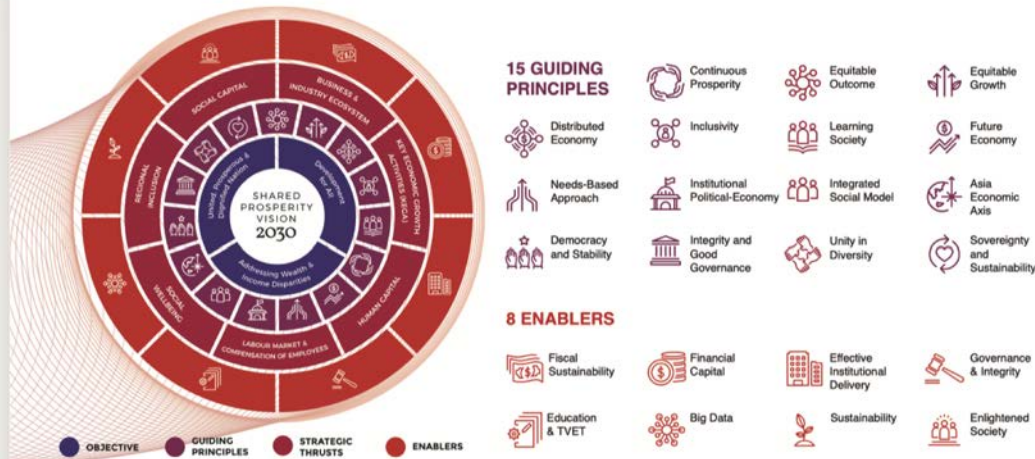

URBANICE MALAYSIA

Malaysia Governance for SDG Roadmap

Working Committees
Identify indicators for each goal of SDG, develop and implement programmes and report progress to Steering Committee

Steering Committees
Formulate SDG Roadmap, monitor progress of targets, identify issues and report to National SDG Council

National SDG Council
Establish direction for SDG implementation, set national agenda and milestones and prepare reporting to UN High Level Political Forum

Steering Committee
Chaired by EPU

National SDG Council
Chaired by Prime Minister

UN High Level Political Forum on Sustainable Development

Led by Economic Planning Unit

INCLUSIVITY	WELL-BEING	HUMAN CAPITAL	ENVIRONMENTAL & RESOURCES	ECONOMIC GROWTH
Goal 1 : No Poverty Goal 2 : Zero Hunger Goal 5 : Gender Equality Goal 10 : Reduced Inequality	Goal 3 : Good Health & Well-being Goal 16 : Peace, Justice and Strong Institutions	Goal 4 : Quality Education	Goal 6 : Clean Water & Sanitation Goal 7 : Affordable & Clean Energy Goal 12 : Responsible Consumption & Production Goal 13 : Climate Action Goal 14 : Life Below Water Goal 15 : Life on Land	Goal 8 : Decent Work & Economic Growth Goal 9 : Indusrty, Innovation and Infrastructure Goal 11 : Sustainable Cities & Communities Goal 17 : Partnerships for the Goals

The Need for Malaysia SDG Cities Roadmap

The Malaysia SDG Cities recognizes that cities and communities are crucial in determining its own set of priorities and decides on the means of implementation to ensure that the SDG Goals and targets are met.

Provide quality basic services for all Malaysians

Promote measures that support green & clean cities

Improve connectivity and promote safe and accessible cities

Ensure respect on the rights of urban dwellers regardless of their social profile and status

Take action to address climate change by reducing greenhouse gas emissions in cities

Bring together variety of partners to deliver shared objectives

Encourage the participation of communities in implementing and delivering the sustainable agenda

Strengthen resilience in cities to reduce the risk and impact from disasters

Enhance local economy to reduce disparities, foster social cohesion and generate job opportunities

Local Government Role and Function + the 17 SDGs and 169 Targets

SDG targets are either directly/partially/not related to the role and function of Malaysia's Local Government

The Role & Function of Malaysia Local Government in Implementing the SDG Targets

69% of the SDGs can be implemented at the Local Level

- ■ Directly related
- ■ Partially Related
- ■ Not Related

61 of SDG targets (36%) are directly related to the role and functions of Local Governments in Malaysia to implement the SDGs.

SDG 11 has the highest number of targets directly related with Malaysia local government role and Functions.

Thus, Malaysia Local Governments play the important position in implementing SDG 11 (Make cities and human settlements inclusive, safe, resilient and sustainable).

Role & Function of Local Government			SDGs Targets

Developing the City Roadmap and Action Plan

CITY PROFILING & DIAGNOSTIC

1. **City Data Review**
   Baselines information of City.
   Challenges and Issues
   Existing Blueprints and
   Development Plans
   Current Roll-out Plans and Its
   Phase of Implementation

2. **Mapping and Alignment** to
   the SDG's and to the NUA
   and recognizing many
   activities are compatible with
   the SDG's and NUA

3. **Gap Analysis**
   Where do we have gaps in
   the current activity.

CITY VISIONING

1. **Engagement Key Stakeholders**
   Collective review of
   current city's policies and
   strategies.
   Collective View on Best
   Policies to accelerate
   progress and initiatives.

2. **Setting Priorities**
   Collective views on local
   priorities for immediate
   actions.

2. **Key City Indicators**
   Setting key indicators for
   the city.

CITY SDG LOCAL ACTIONS & ROADMAP

1. **SDG Local Action**
   Develop action plans for the
   localisiation of SDGs and NUA

2. **Setting Goals** for the City. Set
   the base year and its targeted
   years for achievements.

3. **Roadmap and Action Plans**
   Develop a timeline for the
   implementation of the local
   actions.
   Identify partners for
   implementation.
   Identify key outcomes.
   City Programs and Projects

4. **Accreditation**
   Local accreditation for SDG
   localisation

+

CITY VOLUNTARY LOCAL REVIEW

1. **Commitments for VLR**
   Identify Local Commitments
   to SDGs that is shared for VLR.

2. **Mapping local needs to
   global goals -** An opportunity
   to emphasize individual
   programs or initiatives
   highlight the City's initiatives,
   plan and targeted
   achievements.

3. **Setting up formal/informal
   mechanism for continued
   integration of SDGs**
   Highlights specific local
   challenges and how the
   actions overcomes them.

Measuring the SDGs Cities Performance in Malaysia

3 KEY OUTCOMES
*for* **Malaysia SDG Cities**

Outcome 1
Ensure Inclusive Growth and Development for All
SDG 1, SDG 2, SDG 3, SDG 4, SDG 6, SDG 7

Outcome 2
Enhance access to quality services to address disparities
SDG 5, SDG 8, SDG 9, SDG 10, SDG 16, SDG 17

Outcome 3
Promote Environmental Sustainability to Mitigate Climate Change
SDG 11, SDG 12, SDG 13, SDG 14, SDG 15

The VLR Local Process

A Voluntary Local Review (VLR) has no official status at the UN, however its submission underlines the value of the SDGs as a global framework driving local action. However, the VLR can contribute to the reporting at the national level i.e. local achievements in Voluntary National Reviews.

City Profile – Today and Its Future Challenges

- About the City – its profile
- Its Future Challenges
- Its vision and mission towards the sustainable agenda

City VLR Process
(Methodology Adopted)

- Inclusive Process
- Multi-Stakeholders involvement – Define Role and Profile
- State Commitment & Endorsement (SPC – if needed)
- Data & Information for SDGs
- Mechanisms adopted

City Roadmap Towards SDG Implementation

- The Roadmap towards 2030
- Vertical & Horizontal Integration
- Enabling Policies – State and National
- Plan towards mainstreaming SDGs locally

SDG Goals Prioritised. Targets and Action Plans

- The Prioritized SDGs
- The targets achieved thus far
- The actions towards future achievement
- Its commitment towards

City Role in SDG Implementation

- City's Governance towards SDGs
- Implementation and Challenges
- Monitoring and implementation mechanism

14TH TO 16TH JULY 2020
High Level Political Forum, United Nations, New York

The Value of a VLR

Within local government

Within civil society

Within national government

Within the global community

Thank You
