CALL TO ACTION: PRINCIPLES FOR PRIORITY ACTION ON CLEAN COOKING FOR ALL

July 08, 13:00-14:30 EST (Virtual)

This side event will explore opportunities for catalyzing action by all stakeholders towards universal clean cooking access by 2030. Building on joint efforts by the Global Champions for Energy Access of the High-level Dialogue on Energy 2021, a “[Call to Action: Principles for Priority Action on Clean Cooking for All](#)” will be presented to prioritise clean cooking and call on all Member States and relevant stakeholders to sign up to it. Following high-level opening and expert presentations, an interactive discussion will explore the process of creating and registering an Energy Compact on Clean Cooking towards the High-level Dialogue on Energy, in contribution to SDG7 and net-zero emissions.

I. Opening remarks by Global Champions for Energy Access

II. Presentation of “Call to Action: Principles for Priority Action on Clean Cooking for All”

III. Expert Panel: Priority actions towards universal clean energy access
