

Closing segment

The UN Resident Coordinators in SIDS in partnership with SDSN will continue refining the MVI and act upon feedback received from the Member States at the 76th UNGA to conclude the development of the Index and further define its potential use.

Closing remarks – Mr. Guillaume Lafortune (SDSN)

Mr. Guillaume Lafortune is Vice-President of the Sustainable Development Solutions Network and Director of the SDSN Paris Office. In his capacity, Mr. Lafortune also serves as SDG Index Manager and coordinator of the annual Sustainable Development Report. Prior to that, Mr. Lafortune served as an economist at the Organisation for Economic Co-operation and Development (OECD), specifically working with public governance reform and statistics. Guillaume was also one of the lead advisors for the OECD's Government at a Glance report in 2015 and 2017. Additionally, he contributed to analytical work related to public sector efficiency, open government data and citizens' satisfaction with public services. Earlier, Guillaume worked as an economist at the Ministry of Economic Development in the Government of Quebec (Canada). Guillaume holds a M.Sc in public administration from the National School of Public Administration (ENAP) in Montreal and a B.Sc in international economics from the University of Montreal.
