Our Goal #1

To include the “abolition of nuclear weapons” in the “post-2030 agenda”

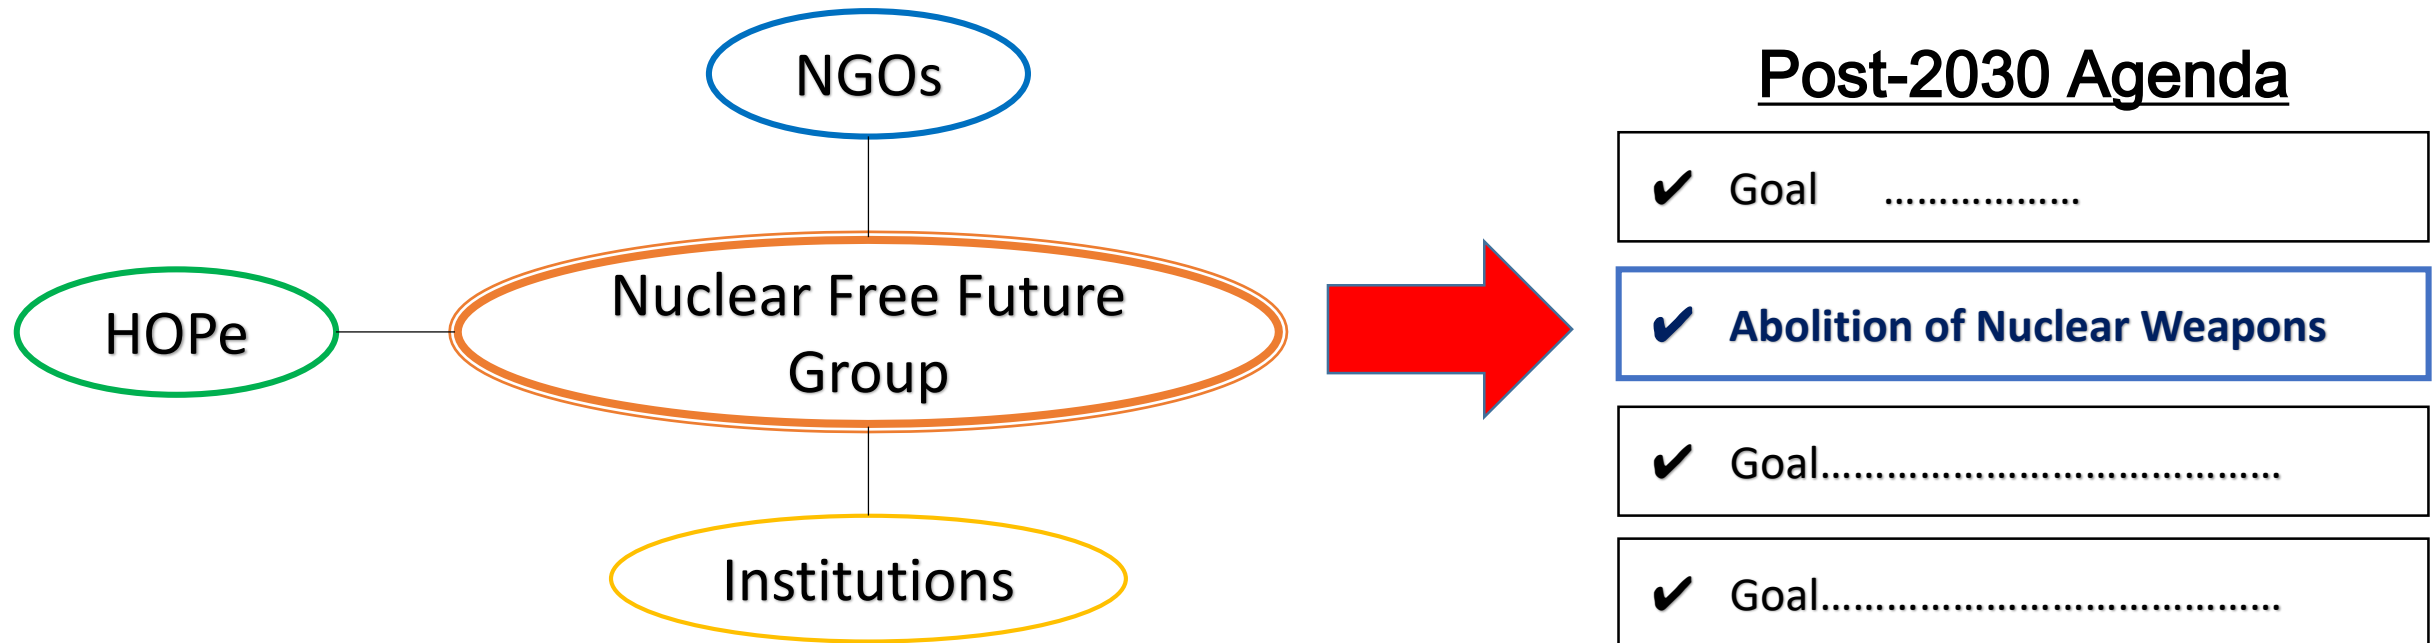

HOPE set up a Working Group of Experts in order to clarify the interconnectedness of “Sustainable Development” and “Nuclear Disarmament”

“Nuclear Free Future Group”

To include the “abolition of nuclear weapons” in the “post-2030 agenda”

HOPE would like to propose the formation of the **“Nuclear Free Future Group”** that will serve as a platform for civil society to join the UN post-SDGs negotiation process.

Please join “Nuclear Free Future Group”!

A Special Issue Group
“Nuclear-Free Future Group (*tentative name*)”

➤ Aims and Specific Activities

- To formulate **policy proposals** focused on the **linkages between the “abolition of nuclear weapons” and “sustainable development”**
- To obtain **UN consultative status** as a special issue group and participate in the Post-SDGs negotiation processes
