

# **NO EDUCATION, NO HEALTH! NO HEALTH, NO EDUCATION!**

## Health Promotion and Health Literacy Driving Universal Health Coverage and COVID-19 Recovery: Building Back Better for Better Health and Well-Being throughout the Life Course

Health promotion and health literacy are becoming increasingly critical to the viability and success of UHC policies and programmes, as well as for ensuring global health security and realizing the broader social, economic and environmental ambitions of the SDGs.

Join us for a virtual high-level panel of the 2022 High Level Political Forum  
Co-sponsored by the **Group of Friends of Universal Health Coverage & Global Health** (co-chaired by Georgia, Japan & Thailand), **Group of Friends of Education & Lifelong Learning** (co-chaired by Argentina, Czech Republic, Japan, Kenya & Norway), WHO, UNESCO, UNAIDS, IFRC

**WEDNESDAY 13 JULY 2022**  
**13.00 – 14.30 EDT**
