SPEAKERS GUIDELINES

Each speaker is given between 5 to 6 minutes. This is indicated in the program. Each humbly request all to abide by this request as there are 7 speakers in this side event.

Speakers are asked to share their country experience especially the achievements and challenges in localising SDGs in your country. Some have been asked to narrow their perspectives of government, civil society or parliamentarian’s point of view.

As the time is short we encourage all speakers to share a written text of their presentation. This will be a useful guide to speech delivery. There is no need for any power point or slide presentation. A text of the speech will be helpful before the event to be circulated to all the participants who register for the event.

Zoom link shall be given closer to the event date.

MODERATORS GUIDELINES

To introduce the panel theme, introduced the speakers and provide a concluding comment at the end of the presentations.

The Q & A session will be handled by Ms Zoel Ng who will prepare a slide of the questions and call on the respective speakers to answer them. All questions are asked via the chat box and not via a verbal intervention.

Due to limited time, speakers can also attend the questions by replying directly in the chat-box

We will assist in keeping time by ringing a bell and have a poster sign.

Any further inquiries should be forwarded to Ms. Nur Rahmah Othman at +6013 920 3550 or Rahmah.appgmsdg@gmail.com
