

HIGH-LEVEL POLITICAL FORUM ON SUSTAINABLE DEVELOPMENT

About the meeting of the High-Level Political Forum on Sustainable Development

This meeting will look at work that countries are doing together to make the world better for everyone by the year 2030.

There are **17 things** that countries are working on to make the world better by the year 2030.

For example, making sure that no one is poor and giving everyone a good education.

This work is called the **Sustainable Development Goals**. Or **SDGs** for short.

The meeting is about how to carry on with this work after COVID-19.

COVID-19 is an illness that many people in the world have been getting.

What will happen at the meeting

Day 1. Tuesday 5 July 2022

9am to 10am

The High-Level Political Forum on Sustainable Development begins. It is part of the United Nations.

10am to 1pm

How to carry on with the work to make the world better for everyone by the year 2030 after COVID-19.

We will look at things like:

- Recovery from COVID-19*
- Health, jobs, money and education

***Recovery** – a return to normal times

3pm to 4.30pm

Making sure that everyone has money to make the world better for everyone by 2030.

4.30pm to 5.30pm

How science and technology can help with the Sustainable Development Goals.

Science and technology are about things like:

- Finding out how things in the world work
- New ideas
- Computers, phones and the internet

5.30pm to 6pm

Partnering together so that everyone can have good outcomes from projects.

Day 2. Wednesday 6 July 2022

9am to 12pm

How can we make sure every boy and girl can go to school?

How can we make sure that students have good education?

This is about Sustainable Development Goal 4.

12pm to 1pm

How to support local governments to work on the Sustainable Development Goals.

There are reports from local governments about their work on the Sustainable Development Goals.

The reports are called **Voluntary Local Reviews**.

3pm to 5pm

How can we work to make sure African countries have equal access to vaccines, money, and support?

This session is about the poorest countries in the world. Many of these are in Africa.

How can we change the way we share resources in the world? How can we make things better?

This is about Sustainable Development Goals 4, 5, 14, 15, and 17.

Day 3. Thursday 7 July 2022

9am to 12pm

How can we protect women and girls from unequal treatment?

How can we give women and girls more power to make decisions?

This is about Sustainable Development Goal 5.

12pm to 1pm

Here we will talk about plans for a big meeting that will happen in September 2023 at the United Nations. We call this meeting the “**SDG Summit**”.

3pm to 6pm

How can we improve ocean health?

How can we build upon the Ocean Conference that happened in the past?

This session is about Life Below Water.

This is about Sustainable Development Goal 14.

Day 4. Monday 11 July 2022

9am to 9.10am

Report on ways people can have enough resources to use without hurting the environment.

9.10am to 12pm

How can we make sure that nature and people are able to live peacefully together?

This session is to build upon talks in the past that have happened on global environmental health on land.

The environment is the earth we live on, the forests, mountains, deserts, the countryside and other things around us.

This is about Sustainable Development Goal 15.

12pm to 1pm

Some reports from countries about their work on the Sustainable Development Goals so far.

The countries are Togo, Uruguay.

The reports are called **Voluntary National Reviews.**

3pm to 5pm

Supporting small island countries to work on the Sustainable Development Goals.

Day 5. Tuesday 12 July 2022

9am to 11am

Making sure that no one is left out of the work to make the world better for everyone by 2030.

How can we point out those who are more likely to be left behind? How can we protect them?

11am to 1.05pm

Some reports from countries about their work on the Sustainable Development Goals so far.

The countries are Argentina, Ghana, Latvia, Philippines, Switzerland.

The reports are called
Voluntary National Reviews.

3pm to 6pm

Some reports from countries about their work on the Sustainable Development Goals so far.

The countries are Belarus, Eritrea, Eswatini, Gambia, Greece, Mali, United Arab Emirates.

Day 6. Wednesday 13 July 2022

9am to 10.15am

Some leaders from the United Nations and some young people will start this part of the meeting.

10.40am to 1pm

Some reports from countries about their work on the Sustainable Development Goals so far.

The countries are Dominica, El Salvador, Sao Tome and Principe, Somalia.

The reports are called **Voluntary National Reviews.**

3pm to 6pm

Some reports from countries about their work on the Sustainable Development Goals so far.

The countries are Djibouti, Equatorial Guinea, Suriname, Tuvalu.

Day 7. Thursday 14 July 2022

9am to 10.30am

We will hear from different parts of the world about the work they are doing.

10.30am to 10.45am

Someone from the United Nations will report on a big meeting where people talked about the environment.

The environment is the earth we live on, and all the plant and animal life around us.

10.45am to 1pm

Some reports from countries about their work on the Sustainable Development Goals so far.

The countries are Gabon, Grenada, Guinea-Bissau, Netherlands. The reports are **Voluntary National Reviews**.

Next 2 sessions are going on at the same time.

2.30pm to 4.30 pm

Leaders of countries will talk about the 2030 Agenda.

3pm to 6pm

Some reports from countries about their work on the Sustainable Development Goals so far.

The countries are Andorra, Cote d'Ivoire, Ethiopia, Jordan, Kazakhstan, Senegal, Sudan.
