We want a
Sustainable Future

Art. 47 :
Assess & Report

Education has a
huge role to play

We have 17 Goals

Goal 4 Target 4.7

*“by 2030 ensure all learners acquire
knowledge and skills needed to
promote sustainable development
[...]*”

- ✓ We want to **raise** core literacy and awareness of SD
- ✓ We need to **measure** SD awareness and literacy

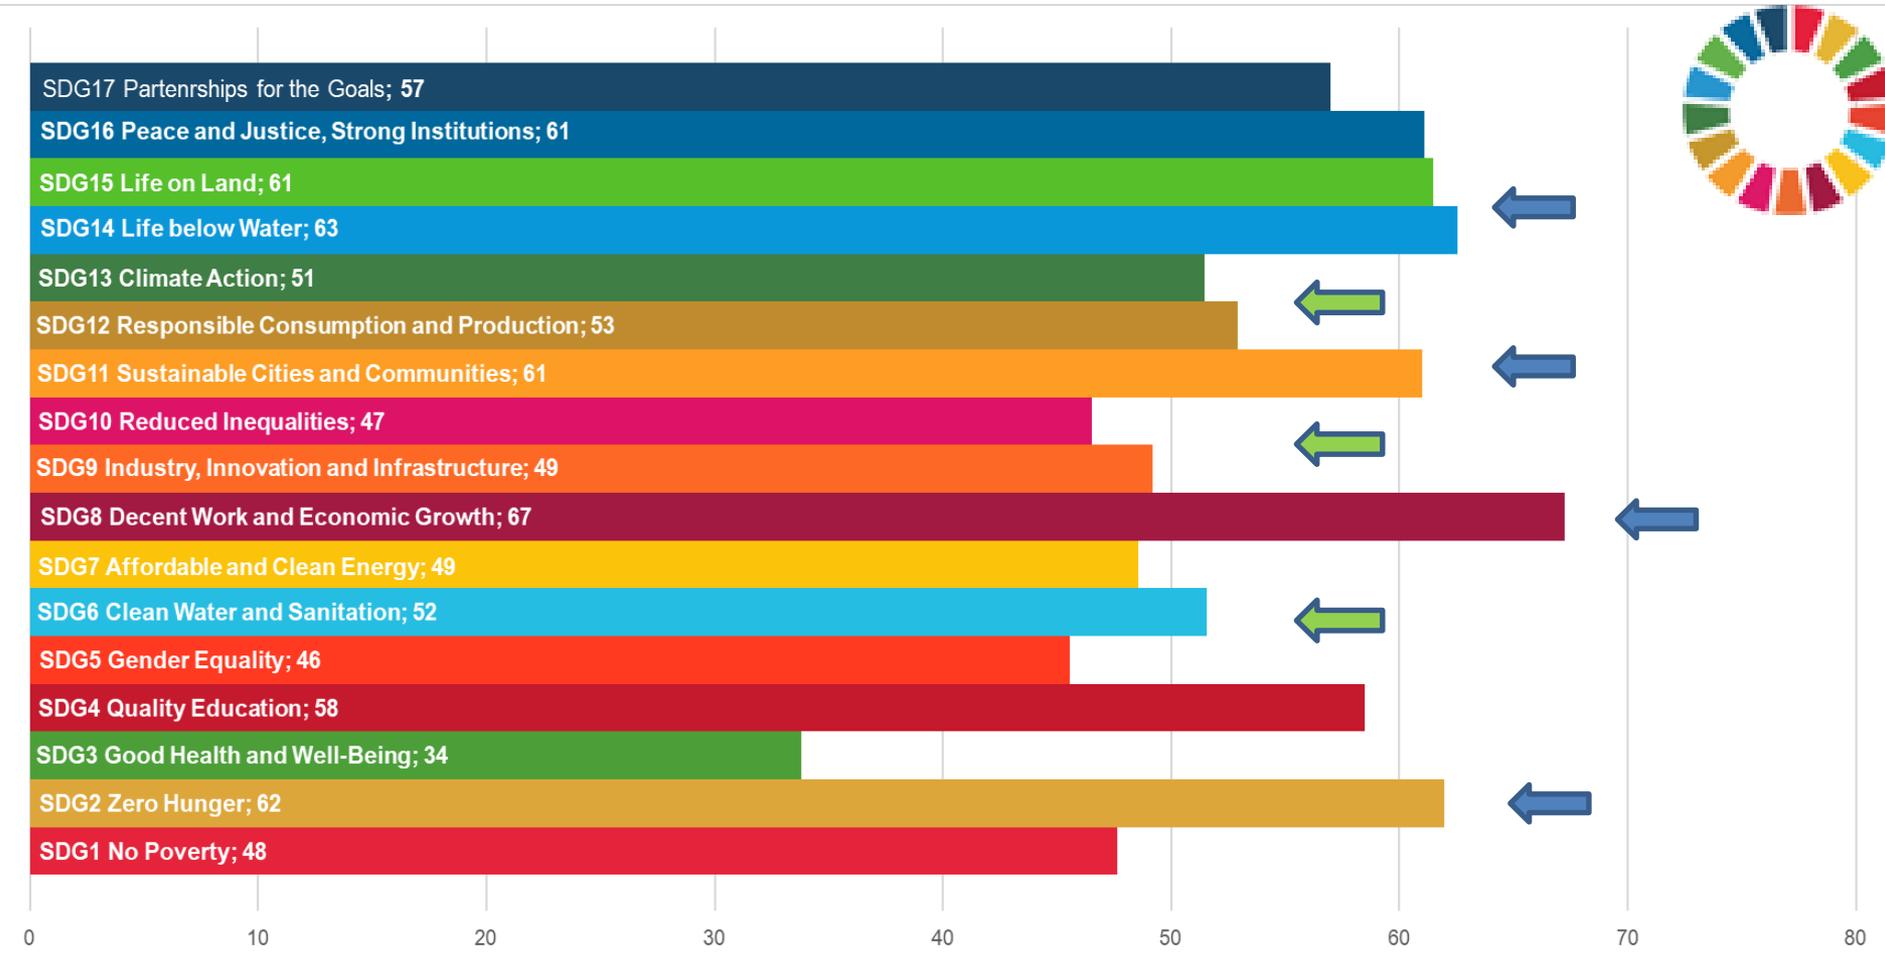

Contributing to the Global Agenda

- Mapping awareness on the challenges addressed by the 17 SDGs:
 - ✓ 16,575 students from 170 universities in 31 countries in 2016-2017
- Training citizens on the SDGs framework and processes with a specialized module in collaboration with UN DESA
