Sulitest is an international movement contributing to the global agenda by developing online, easy to use and adaptable tools to improve Sustainability Literacy.

TODAY

- ✓ Raise awareness amongst my students, faculty and staff, and map their awareness of the SDGs
 - Core Module, Local Modules, SDG Module (UNDESA)
- ✓ Bring Sustainability into class discussions and engage students, faculty and staff
- ✓ Collect data for my research and/or for my accreditations
- ✓ Get information to modify my courses' emphasis

TOMORROW

- ✓ Co-create the Sulitest content on a collaborative platform
- ✓ Use the new SDGs Modules
 - SDG7 : Affordable and Clean Energy by UN DESA
 - SDG11 : Holistic Waste Management by UNE IETC
- ✓ Join the research community and contribute to fine-tune the tool toward a robust assessment.
