SUSTAINABLE DEVELOPMENT STRATEGY 2016–2019

MONET Indicator System

What is the impact of resource flows and financial flows?

- Material footprint of imports
- Greenhouse gas emissions
- Energy dependency
- Domestic production of primary energy carriers and gross energy imports (import surplus of energy carriers and nuclear)

Thousands terajoules

Is Switz 1000 Import surplus of energy carriers and nuclear

Multilateral treaties

Share of multilateral treaties that have come into force in Switzerland¹ in the total of treaties in one year

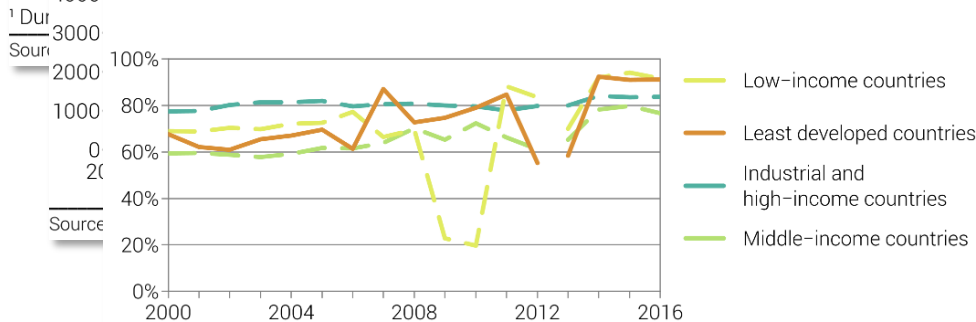

Remittances by migrants

Total of remittances from migrant workers in Switzerland to their countries of origin

Million of Swiss francs

Duty-free imports from developing countries

Share of duty-free imports in the total value of all imported goods by countries' income categories¹
