ante las Naciones Unidas

ONU02737

The Permanent Mission of Mexico to the United Nations presents its compliments to the President of the United Nations Economic and Social Council ECOSOC and has the honor to refer to his letter dated 30 July regarding the 2021 High Level Political Forum for Sustainable Development and, in particular, its Voluntary National Review (VNR) segment.

The Government of Mexico hereby expresses its interest in presenting its Voluntary National Review during the High Level Political Forum in 2021. Mexico's desire to present a third VNR, the most recent being in 2018, is based on its steadfast commitment to the follow up and review of the goals and targets of the 2030 Agenda for Sustainable Development.

In order to commence preparations accordingly, the Permanent Mission of Mexico kindly requests that the aforementioned expression of interest be duly registered and confirmed.

The Permanent Mission of Mexico to the United Nations avails itself of this opportunity to renew to the President of the United Nations Economic and Social Council the assurances of its highest consideration.
