Dear Excellency,

TUVALU VOLUNTARY NATIONAL REVIEW (VNR) MAIN MESSAGES

In compliance with the agreed schedule for Tuvalu's preparation for its first ever Voluntary National Review Report presentation at the High-Level Political Forum in July this year, it is indeed an honour to submit herewith Tuvalu's VNR Main Messages for your consideration and perusal.

The main messages have been tailored in such a way that they capture the broad key messages which Tuvalu wishes to report on as part of its effort toward achieving its National Strategic Plan (Te Kete) aspirations and those of the SDGs.

We look forward to continue working with you and your team in the preparation of our final report and therefore, your continuous support is very much appreciated.

Yours sincerely,
