President of ECOSOC  
Economic and Social Council  
New York

Dear Excellency,

I have the honour to refer to your letter of even date regarding the July 2024 High-level Political Forum on Sustainable Development (HLPF) and the expressions of interest for presenting Voluntary National Reviews (VNRs).

I note that Belize is not listed among the Member States which have expressed interest to present a VNR even though we formally submitted its interest on 9 June 2023. For ease of reference I am re-attaching the correspondences previously sent.

I should be grateful if Belize can therefore be added to your list of countries which have expressed interest in presenting VNRs at the 2024 HLPF and if this can be shared with Member States.

Please accept, Madam President, the assurances of my highest consideration.

Regards,

H.E. Carlos Fuller  
Permanent Representative of Belize to the UN
