Dear *Paula,*

I have the honour to inform you that the Government of the Republic of Mauritius proposes to present its second Voluntary National Review (VNR) at the High-Level Political Forum (HLPF) scheduled to be held in 2024.

Mauritius views the VNR process as a crucial opportunity to demonstrate our commitment to the 2030 Agenda for Sustainable Development and to share our experiences, successes, and challenges in implementing the Sustainable Development Goals within our national context.

We look forward to enhancing our collaborative efforts towards achieving the SDGs and advancing the global sustainable development agenda.

Please accept, Excellency, the assurances of my highest consideration.
