The Permanent Mission of the Republic of Sierra Leone to the United Nations presents its compliments to the United Nations Department of Economic and Social Affairs (UNDESA) and has the honour to inform you of Sierra Leone's intention of undertaking a fourth Voluntary National Review (VNR) on the implementation of the Sustainable Development Goals at the upcoming United Nations High-Level Political Forum (HLPF) in July 2024 at the United Nations Headquarters in New York.

In view of the above, the Mission would be grateful if you could use your good offices to register Sierra Leone as one of the countries to be reviewed at the 2024 UN HLPF.
