

Permanent Mission of the Dominican Republic  
to the United Nations

**MPRD-ONU-NY-1928-2023**

The Permanent Mission of the Dominican Republic to the United Nations presents its compliments to the Office of the President of the Economic and Social Council and has the honor to refer to the celebration of the High Level Political Forum in July of 2024.

In that regard, the Permanent Mission of the Dominican Republic to the United Nations would like to inscribe the Dominican Republic on the list of countries to deliver a Voluntary National Review in 2024, should the opportunity present itself.

If it is not possible for the Dominican Republic to be included on the list of countries to deliver a Voluntary National Review in 2024, then the Permanent Mission of the Dominican Republic to the United Nations would kindly request that it be included on the list of National Voluntary Reviews for 2025.

The Permanent Mission of the Dominican Republic avails itself of this opportunity to reiterate to the Office of the President of the Economic and Social Council the assurances of its highest and most distinguished consideration.

New York, October 31, 2023.

**The Office of the President of the Economic and Social Council  
New York. –**
