

Note No. 231 /2024

The Permanent Mission of the Republic of South Africa to the United Nations presents its compliments to the Economic and Social Council and has the honour to inform the latter that South Africa will not be in a position to present its Voluntary National Review (VNR) during this year's High Level Political Forum (HLPF), due to insufficient time to process the report for tabling and approval by Cabinet of the recently inaugurated Government of National Unity.

The Permanent Mission of the Republic of South Africa has the further honour to hereby request that South Africa's presentation of its VNRs be deferred to the next HLPF in 2025.

The Permanent Mission of the Republic of South Africa to the United Nations avails itself of this opportunity to renew to the President of Economic and Social Council the assurances of its highest consideration.
