Excellency,

I am writing in relation to the Voluntary National Reviews (VNRs) to be conducted at the 2026 High-Level Political Forum on Sustainable Development (HLPF), which will be convened under the auspices of the Economic and Social Council (ECOSOC).

Jamaica continues to attach high importance to the 2030 Agenda for Sustainable Development and remains committed to its successful implementation. In this context, Jamaica's National Focal Point, the Planning Institute of Jamaica (PIOJ), has conducted a consultative process with key stakeholders on Jamaica's participation in next year's HLPF.

It is therefore, my pleasure to advise, on behalf of the Government of Jamaica, our intention to deliver our third national voluntary review at the 2026 HLPF. This review will potentially serve as Jamaica's final comprehensive monitoring report before the end of the programme evaluation in 2030. In this regard, I am submitting by way of this communication, our notification to this effect and seek your guidance on the next steps toward this objective.

Please accept, Excellency, the assurances of my highest consideration.

Brian Wallace
Ambassador and Permanent Representative

His Excellency Bob Rae
President of ECOSOC
